

Iowa All Academy 2024 Ball

Dear Supporter,

The U.S. Service Academies share a common mission to develop future leaders for our armed forces. These outstanding young people go on to serve as leaders in all parts of our society. As an American, it is gratifying to support these dedicated young people who have committed to serve our country.

It is our Iowa tradition to honor these young men and women at a formal event during the holiday season while also supporting Iowa veterans. The 17th Annual Iowa All Academy Ball has been set for Sunday, December 22 at Prairie Meadows in Altoona, Iowa.

We are asking businesses and individuals to help us with this event. This can be by sponsorship or by contributing an item or experience to our silent auction. In doing so, you will allow cadets and midshipmen to enjoy a special evening recognizing their service and commitment.

Importantly, your contribution will also go toward our designated Iowa-based charities that support our veterans. All levels of sponsorship are listed on the enclosed form and sponsors are recognized in the ball program and on our Iowa All Academy Ball website, if desired.

Join us in saluting outstanding young Iowa men and women of our service academies and supporting Iowa veterans. We greatly appreciate your gift.

Sincerely,

Jackie Norris, Chair
2024 Iowa All Academy Ball Committee
